Join the other 150 teens and become a part of the Special Strides Junior Committee!
Receive community service credits and awesome college recommendations!

As a member you will be helping to support Special Strides Therapeutic Riding Center and the Steven Werhan Memorial Fund. Proceeds from our fundraisers provide financial assistance to families allowing their special needs child the opportunity to receive therapy at Special Strides.

Entering our 12th year, Special Strides is a local non-profit organization dedicated to improving the lives of children with physical and developmental disabilities. Special Strides uses the therapeutic and healing powers of horses to treat children with challenges such as Cerebral Palsy and Autism. The power of the horse can help a child mentally, physically and emotionally in ways you cannot imagine.
